Starting Monday, October 9, Denver Water will begin construction to replace the water main on Elm Street from Cornell to Dartmouth. Elm Street is the street in front of the school. This construction will last about one month, and will affect drop-off and pick-up of your children as well as parking along the street. Parents may still drop-off and pick-up on Elm Street, however, if you park for any length of time, **YOU WILL BE TOWED IMMEDIATELY!! PLEASE, PLEASE, PLEASE have your child ready to go as you prepare for drop-off in the morning as **one slow car will back up everyone!** ECE, Kindergarten and other parents who need extra time should use Plum Street.**

Are you ready for the Cardboard Challenge this Saturday? It's coming tomorrow morning from 9:00 – 10:30 a.m. on the playground. Drop off your projects between 8:45 – 9:00 a.m. in their designated areas.
