Session 2: Week of October 23 through week of December 4

We are excited to offer a variety of after-school enrichment programs! All enrichment programs run from 3:45pm-5:00pm. Please send a snack for your child and be prompt for pick up at 5:00pm – students are released to parent/guardian

**\*\*TO REGISTER FOR THE OUTSIDE ENRICHMENT PROGRAMS: [SiliconStem Academy](#), [Sound Formation](#), [Sticky Fingers Cooking](#), and [Young Rembrandts Art](#), please visit their website for information on the class and to pay directly on the website. All Grades K-5. These classes meet in Room 122 (Spanish Room). Please register and pay for camps through their websites\*\***

**TO REGISTER FOR “IN HOUSE” ENRICHMENT PROGRAMS: Bradley is excited to offer a wide variety of enrichment programs taught by our very own teachers and para-professionals! Payments (cash/check) are made directly to the teacher. Use the SignUpGenius to save your spot – then pay teacher directly for the camp.**

**LittleBits Engineering with SiliconStem Academy:** If your student is the next Einstein and loves to tinker, build and invent? This class is the perfect way to unleash creativity in students 6-10 years, empowering them to create inventions of every shape and size, with no prior electronics experience. Learn the basics of electronics, explore STEM principles, form the foundations of critical thinking, or just have fun with blinking and buzzing creations. Bits snap together with magnets, so it's impossible to make a mistake! \$84/session. Mondays: Grades K-5. Register at [SiliconStem Academy](#).

**Rhythm & Drums with Sound Math:** Elite music training for your child. Experience the unique method pioneered by music education visionary, Curtis Madigan. Hand-percussion is the perfect foundation and starting place for learning music. Fusing rhythm with mathematics, music is clarified and simplified. There will be a performance the final day. Our teachers have degrees, Masters degrees, and even Ph.Ds in music. \$84/session. Tuesdays: Grades K-5. Register at [Rhythm & Percussion](#)

**Sticky Fingers Cooking:** Your kids can have a blast every week discovering how easy and fun it is to cook (and gobble-up!) tasty, healthy, American classics and globally-inspired Sticky Fingers Cooking recipes! Sticky Fingers Cooking offers young chefs the chance to explore exciting tastes (all seasonal and as local as possible!), master culinary skills (that they can put to use in family kitchens!) and nourish their bodies and minds. \$84/session. Wednesdays: Grades K-5. Register at [Sticky Fingers](#)

**Young Rembrandts Art:** Encourage your elementary student's enthusiasm for art and help develop their drawing skills with a Young Rembrandts drawing class. As we enter the months of November and December, we will present a variety of stellar lessons. The vibrant colors and intricate design of our patterned lion drawing will engage students and your heart will melt once you see the adorable Dalmatian your student will create. Your student will learn important artistic themes and concepts in our art history lessons. All this and more awaits your child in the Young Rembrandts classroom! Sign up today! \$55/session. Thursdays: Grades K-5. Register at [Young Rembrandts](#)
