

### News from the IB Eagle's Nest...

- We made it through **TWO** snowy days this week! Thank you for driving carefully and following the parking
- **IB Learner Profile: Reflective:** Bradley students tackle reflective writing assignments with gusto! Over long breaks, teachers ask them to practice reflective writing at home so that they know how to formulate opinions both in and out of the classroom. Our 3<sup>rd</sup> graders had a section of work that required them to reflect on their holiday: what they did over break, did they go somewhere, what family or friends did they see, etc. These types of questions get our students reflecting on issues outside the classroom.

### School News
