

BRADLEY MESSENGER

News from the IB Eagle's Nest...

- A huge **CONGRATULATIONS** to **Mrs. Cypress** for being a finalist for **Colorado Teacher of the Year Award!!**
- **No school on Monday September 3rd - have a great Labor Day weekend.**
- Today we practiced all of our safety drills! We had a Fire Drill, a Shelter-In-Place/Severe Weather Drill and a Lockdown Drill. Should we ever have an actual emergency, you will be notified via email, paper and voice messenger. As safety is our number one priority, I am pleased to inform you that everything went extremely well! Please ask your child about the drills and what they did to remain safe!
- **IB Learner Profile: Inquirers.** We had Science Buddies yesterday. Students spent time asking questions about what scientists do and wondering about science. Students also got to know their Science Buddy by drawing a picture of a scientist. Ask you child about what they wonder about science.
- **Students Health:** We are moving into the season where allergies and colds become more common. Please keep your child home if they have a fever of 100 or more without medication. Students are supposed to stay home 24 hours after a fever to ensure they are not contagious. If you know your child will be missing school for illness, Doctor/Dentist visit or family event, please call the attendance line at 720-424-9398.
- Please observe and use the crosswalks. **DO NOT** cross at any other area OR call your student to cross the street. Do not have your car block the crosswalk at any time.
- **Handicap zones** are for clearly marked handicap vehicles only.
- The **“Kiss and Go”** cone zone at the main entrance is for a quick drop-off only. Please pull as far forward as possible. Drivers should not exit the car or linger and watch your student walk to the front doors as this causes congestion for those behind you. If you need to assist your student, please park across the

street. This area is specifically designated for a quick drop-off only and we need to have cars move on.

- The teacher parking lot is **not an area to drop-off or pick-up students** before or after school.

School News

- **Join us next week for IB Night (Parent Information Night)!** On Thursday, September 6th at 6:00 p.m., parents will find out more about why the PYP makes Bradley unique; acquire ways you can support your child at home; hear about the learner profile and attributes; and learn how the PYP provides a framework for teaching the Colorado Academic Standards and promotes internationalism. Contact Jodie Leatherman, IB Coordinator, with any questions at jodie_leatherman@dpsk12.org.
