

News from the IB Eagle's Nest...

- What a **HOT**/sizzling week! We made it and the students did great!
- Japanese Kite Master Mikio Toki from Japan taught our students Grades 2nd through 5th about Japanese Kites and actually made a kite today! What an amazing experience for our IB students. Ask your students about this amazing experience! There's a [Free Kite Festival](#) this Sunday, September 16 at the Lowry Great Lawn Park.
- **Math Night is September 27th** and the **PTO Fun Run is all day on the 28th!**
- CDE – will be out this week to observe, interview and evaluate Mrs. Cypress as she is a finalist for the COLORADO TEACHER OF THE YEAR!
- **IB Learner Profile: Inquirers: Inquiry grows students' confidence and self-motivation. When students feel the pride that comes from discovering the best solution to a problem or task given to them, they suddenly gain a new level of confidence in their own learning abilities. Our teachers nurture this confidence and motivate students by engaging their curiosity and promoting active, inquiry-based learning. Developing inquirers means students aren't given the answers, but they are given encouragement to pursue their own questions along with feedback and direction. We strive for Bradley students to not back down from a new challenge or give up easy. They begin to believe in their ability to apply their knowledge from one situation to another.**

Parking: Drop-Off/Pick-Up

- Please remember to pull as far forward as possible when you are dropping off or picking up your child in the Kiss and Drop Zone.

- To save the environment, please do not idle as you are waiting for students to let out in the afternoons. The hot temperatures mixed with exhaust causes Ozone erosion. Let's do our part in protecting our environment!

School News

- Students put their best smiles on for **Lifetouch** pictures day on Tuesday. If you did not turn money in on picture day, you can still order pictures online at www.mylifetouch.com and use the code for Bradley: CG948111Yo
- Individual picture retakes will be November 13th.
- Class photos (all students and their teacher) will occur in the Spring.
