

Corporate Sponsorship Opportunities 2025-2026

Support Bradley International School!

Sponsoring Bradley is a great way to support your local DPS elementary school and get the word out about your business. Bradley is an International Baccalaureate (IB) school in the University Hills neighborhood of Denver that strives to develop inquiring, knowledgeable, and caring young people with a sense of community, a respect for diversity, and a love of learning.

Corporate sponsorships are organized by the Bradley Parent-Teacher Organization (PTO), an active volunteer-run organization that engages in fundraising efforts throughout the year. The Bradley PTO is a 501c3 Non-Profit organization that exists to help build a vibrant school and community by providing meaningful resources that support students, teachers, and families. The PTO uses funds raised to support initiatives such as improving the campus grounds, providing teachers with classroom resources, bringing educational opportunities to the school, and more.
