- **We have officially kicked off our annual Kids Heart Challenge** (formerly known as Jump Rope for Heart) event with the **American Heart Association!** Our students will be learning the importance of helping others while keeping their own hearts healthy. Today our representative from the American Heart Association visited our school to help us kick off Kids Heart Challenge with an exciting **WARRIOR CHALLENGE** presentation featuring our heart hero friends that remind us how to keep our hearts healthy while helping others. We will be sending home information with your student, but we wanted to make it as easy as possible for the students that choose to participate. \$50+ for Kid's Heart Challenge will get discounted tickets to a Denver Nuggets game (March 30<sup>th</sup> or April 3<sup>rd</sup>) and will get to shoot hoops on the court after the game for being lifesavers!
