- **Happy May Day!!** What a beautiful week of Spring weather!
- **Annual Family Update:** DPS will open the Annual Family Update window starting today, **May 1st through May 31st**. What is the Annual Family Update? This is the time where you can check contact information so we can contact you correctly throughout the school year. If you complete the Annual Family Update this May, you will not have to complete it again in August (unless your contact information changes during this time). Here's how to complete the Annual Family Update: Log in to your DPS Parent Portal, click on "See All Apps", click on "Annual Family Update" and complete the forms for all DPS students. If you do not have a DPS Parent Portal, please set one up. Find more information about the DPS Parent Portal at: <https://myportal.dpsk12.org/>

**TUESDAY: Take a Picture Day:** Ask your parent to help take a picture of you in your home classroom.

**WEDNESDAY: What Would We Do Without All of Our Teachers Day?:** Email a nice note to another teacher to say hi and that you're thinking about them.

## **BRADLEY PTO**

- **Earn Money for Bradley Just by Shopping!** Did you know that Bradley PTO earns Community Rewards/Dollars from Amazon and King Soopers? In beginning of 2020, Bradley earned **\$139 from Amazon Smile** and **(a NEW RECORD-BREAKING) \$2,400 from the King Soopers loyalty card program!!**
- **How do we do it?** Families select Bradley PTO as the charity reward recipient of their easy-to-use community programs. That means that you do your normal shopping and these community supporters give money to Bradley solely off your patronage.
- As you know, we were unable to have the PTO auction this year and had to cancel our April/May "dines out" events. That makes these shopping programs PTO's only source of revenue for the rest of the school year - and those funds help support the 2020/2021 school year. If you haven't already done so, please sign up and name Bradley PTO as your Amazon Smile and King Soopers reward recipients. There is no additional cost to you, simply take one minute and follow these steps:
- **SmileAmazon** – link your Amazon account to Bradley PTO. When you check-out go through [smile.amazon.com](http://smile.amazon.com). Watch our instructional video: <http://bit.ly/BradleyAmazonSmile>.
- **King Soopers** - register your loyalty card at [www.kingsoopers.com](http://www.kingsoopers.com). Go to the "Community Rewards" tab, locate Bradley PTO with code DF359 and select “enroll.”
- Lastly, we also have a partnership with **Shutterfly**, where they will return 8% of purchases made through our custom store front: <http://bradleyib.shutterflystorefront.com>.

Stay Happy and Healthy and Get Outdoors!

**SHOW OUR COLORADO SPIRIT: Place American, Colorado, Broncos, Rockies, Avalanche, Spring flags for all to see! Bradley students, count how many flags and what different flags you see in your walks in the neighborhoods!**
