

BRADLEY MESSENGER

News from the IB Eagle's Nest...

- It was inspiring to see the **4th grade class** report all they know about **Colorado Ecosystems through dioramas** today! I was impressed by their creativity, knowledge and drive to learn!
- **IB Learner Profile: Caring:** This week our kindergarten class showed caring by showing a new student all about their classroom and helping him get acquainted in class. They did this without being instructed by the teacher - they are showing caring!

School News

- As the **weather turns cold and snowy**, we have information on school closings and delays. In the event that the district calls for a **Weather Delay**, your school will be delayed for one hour. The purpose of the Weather Delay Schedule is to provide school buses additional time to pick up students and reduce student wait time in severe weather. Please see attached information: [DPS Weather Information](#) or on the **Bradley Website: [Weather Information](#)**
- **First Friday Early Release** will be **December 7th**. [Skate City](#) permission forms were sent home in Friday folders before break and available on the Bradley website. Please return money and form to your teacher by **9:00 am on Wednesday, December 5th!**

Community News

- **The Optimist Club of Monaco South** are once again selling **Christmas Trees** at the **Villa Monaco Shopping Center** (2223 S Monaco Parkway) from **November 23rd to December 24th**. Visit Santa Claus in his Santa Haus weekends from 10:00am - 6:00pm. The funds raised through these tree sales

allow Monaco South to continue its 42-year history of serving youth and the community through programs like the Super Citizenship Awards at Bradley and other surrounding elementary schools as well as providing food baskets for families at Thanksgiving and Christmas. The Optimist club supports the Boys and Girls Clubs/Girls Inc, Respect for Law, Brain Bowl, Thomas Jefferson ArtFest, March of Dimes Mudd Volleyball Tournament, MS Bike Event, JDRF, ADA Camp Colorado and other community projects.
