

News from the IB Eagle's Nest...

- **Teachers are BACK! We ended the week in great spirits having our teachers back at school!**
- We had our **American Heart Association Heart Assembly today - now called Kids Heart Challenge**. Ask your students about our very own Heart Heros here at Bradley. **JOIN OUR TEAM:** Go to [KidsHeartChallenge](#) (on your phone or computer) and search for our school then click "Sign Up." **DOWNLOAD THE APP** for [iPhone](#) or [Android](#) by searching for Kids Heart Challenge. You can unlock your Heart Heroes, bring them to life, and raise donations on the go! **JUMP START YOUR DONATIONS:** \$10 teaches more than 200 adults how to save a life by recognizing the signs of heart attack or stroke and how to administer CPR or use an AED. YOU can make a difference!
- **IB Learner Profile: Communicator.** With teachers out of the classroom, students communicated well with their guest teachers this week. Just today, 5th graders communicated well with each other during their Lamb heart dissection activity. They saw all parts of what makes the heart work - ask your 5th graders about their day!

School News

- **Remember, NO SCHOOL on Monday, February 18th** for President's Day.
- We also had a **Fire Drill** today - ask your students about their experiences. They all did great!
- **Lifetouch Pictures** has been postponed until **March 15th**. New order forms will go home in March.
