- **IB Attribute: Principled:** Bradley students reflecting on being principled: “to be on task and honest,” “being good when no one is looking,” “helping my friend to the nurse,” “show respect to each other,” and more. Ask your student how they were principled at school this week.

## School News

- **1st Grade is taking action!** They are learning about the Ocean and all it's wonders. With those wonders comes lots of TRASH! 1st Graders are teaming up with an amazing company called **4Oceans** to help clear that trash. 4Ocean collects ocean trash and recycles it to create bracelets from that glass, plastic and metal. One bracelet sold generates enough money to collect up to one pound of trash. **Bring your orders in next week (March 11th-15th)**. See the attached flyer to place an order - **CASH ONLY**.
- We had a fire **drill today**, ask your students about how they did!
- **Spring** is nearing - this weekend is **Daylight Savings** so spring your clocks forward Saturday night!

- Kids Heart Challenge: Remember, **Bradley's Kids Heart Challenge** event is wrapping up soon and any donations are **due Tuesday, March 19th**. We have raised over \$5,300 and our goal is \$11,000. Any student that raises \$100 gets to pie Mr. Hoffer in the face! On March 19th, we will have a day full of heart healthy activities outside (weather permitting) to conclude this event. Students will do these activities during their specials times. Students will receive all their prizes before Spring Break - tell them not to fret, Mr. Hoffer has it all under control! To see our progress and to donate, go to [BradleyKidsChallengeWebsite](http://BradleyKidsChallengeWebsite).
- Dress for success! **Lifetouch class and individual pictures are Friday, March 15th**. Order forms are in your student's Friday Folders. You can order online for the **class picture using the Picture Day ID: CG948210Go** or for **individual pictures using the Picture Day ID: CG948210Yo**.
