

News from the IB Eagle's Nest...

- Today was **Emergency Services Day!** Bradley hosted the Department of Safety and Security as well as the Denver Police Department this morning to speak to our AN, ECE, Kindergartners, and 2nd graders about bicycle and street safety as we move into the summer months. They got to see the new Denver Police Department vehicles! Ask your student about it!
- Look for your **Parent Satisfaction Survey** sent home in Friday Folders today. We are striving for a 100% return rate! The more we have returned, the better our SPF rating. The survey is important to fill out and let the district know how we are doing.
- The **Scholastic Book Fair** was a huge success! Thank you to all the volunteers!
- We had a busy week with **4th Grade Colorado Day** on Thursday and **Ms. Bobroske's 2nd grade Garden Show** this morning! Our students are learning so much! It was great to see them perform!
- **Bradley Garden** put on a beautiful Plant Sale yesterday and today!
- **IB Attribute: Open-Minded:** 5th Graders went on an overnight trip to Balaret in the mountains. They were challenged by new activities and adventures that they may not have experienced before. There is a very large swing they were courageous and open to trying - they said it was SUPER scary! There was also an individual silent moon walk which was calming and at the same time demanded that they open their minds to nature and their inner thoughts. Balaret is such an amazing experience for our 5th graders.
