

# BRADLEY MESSENGER

## News from the IB Eagle's Nest...

- Remember - **No School on Monday May 27th. It's Memorial Day!**
- This morning we had a Library Assembly. **Denver Public Librarians** came in to talk about the **Summer of Adventure** program through the Denver Public Library branches. Registration begins on May 31st at DPL branches where you will get your Registration Prize! Ask your students about the reading prizes and what they learned this morning! For more information, see [Flyer](#).
- **5th Grade Exhibition** was truly **AMAZING!** They put in so much time and effort and it all paid off! We are happy to send off these thoughtful, global IB students to middle school.
- We had another **successful PTO event** on Thursday! The **School Dance** was SO fun! It was a great turnout! Kids were dancing, taking pictures and having a great time. Thank you to Yvonne Davis and the parents that helped.
- **IB Attribute: Open-Minded:** The 5th Grade Exhibition showed a diverse array of issues that interests our students. From animal cruelty to war time conflicts. Our students researched their projects with an open mind, not knowing where exactly their research would lead them. Working in groups also helped bring different perspective into their research projects. They did an *amazing* job! Our 5th graders are ready for middle school.
