

ECE 3/4 Class Spring Break Packet

1. **Play Outside!** Go to a playground or find a trail to hike. Talk with your children about their experiences.
 - a. Use vocabulary to compare what you see, hear and do (huge, tiny, medium, big, bigger, biggest, loud, soft, quiet, fast, slow, wet, dry, slimy, hard, bumpy, soft).
 - b. Later the same day, help your child tell another person what they did. Extend their story by one or two details.
2. **Read!** Read with your children twice a day! Have them help you identify the characters, emotions and actions in the book. When the book is done, talk about what your favorite parts of the book were.
3. **Support imaginative play.** Help your children extend their imaginative play to include pretend problems they have to find solutions for. For example, if they are pretending to bake food, pretend that they dropped the eggs on the floor! What can they do!?
4. **Name puzzles** for students in room #108. Your children can put them together or they can practice tracing the letters of their name with markers, which can be washed off with wet wipes.
5. **Have Fun!**
