**Registration Process—Partner Vendor Programs:** Bradley International partners with four outside enrichment programs: [SiliconStem Academy](#), [Sound Formation](#), [Sticky Fingers Cooking](#), and [Talk to the Camera](#). All of these enrichment programs are open to students in Kinder through 5th Grade. Partner programs meet in Room 122 (Spanish Room). Online Registration. Please visit their websites for more information.

**Silicon STEM Academy:** **Junior Game Designers with Scratch.** In this computer-based course, we'll teach students how to create interactive games & animations with MIT's dynamic programming platform, called Scratch. Scratch prepares kids for the future by teaching basic coding skills in a fun, easy-to-learn interface. \$98/session. Mondays: Grades K-5. Register at: [https://campscui.active.com/oras/SiliconSTEMAcademy?\\_ga=2.237944132.599880624.1538528517-1310134836.1526915454#/seasonSelection](https://campscui.active.com/oras/SiliconSTEMAcademy?_ga=2.237944132.599880624.1538528517-1310134836.1526915454#/seasonSelection) or go to: <https://siliconstemacademy.com/> under School Affiliates tab then Bradley International

**Rhythm & Percussion with Sound Math:** Elite music training for your child. Experience the unique method pioneered by music education visionary, Curtis Madigan. Hand-percussion is the perfect foundation and starting place for learning music. Fusing rhythm with mathematics, music is clarified and simplified. Mr. Madigan's curriculum develops the whole child, emphasizing character values and strengthening learning capacity with strategic and fun games. Unleash your creativity for all subjects. There will be a performance the final day. Our teachers have degrees, Masters, and even Ph.Ds in music. \$98/session. Tuesdays: Grades K-5. Register at <https://soundformationmusic.com/rhythm-drums-at-bradley-international-school/>

**Sticky Fingers Cooking:** Your kids can have a blast every week discovering how easy and fun it is to cook (and gobble-up!) tasty, healthy, American classics and globally-inspired Sticky Fingers Cooking recipes! Sticky Fingers Cooking offers young chefs the chance to explore exciting tastes (all seasonal and as local as possible!), master culinary skills (that they can put to use in family kitchens!) and nourish their bodies and minds. \$122.50/session. Wednesdays: Grades K-5. Register at <https://stickyfingerscooking.com/school-programs/colorado/bradley-international-school-fall-2018-session-ii-oct-k-5th>

**Talk to the Camera:** Co-founders, **Jenny Gilbert** and **Audrey Walters** met when their children were in preschool. They soon discovered a shared passion for helping kids develop lifelong social communication skills in a world filled with cell phones, apps, video games and laptops. Together, Jenny and Audrey empower youth in a variety of dynamic ways using camera work as a powerful communication tool. Annette Schowers will be teaching **Mini-Movie**. Do your kids love movies and using their imagination? In this camp, kids get to work as a group to create, direct, act in and produce a movie. Edits are done by our professionals and a final class video will be available a month after camp is over. \$119/session. Thursdays: Grades K-5. For more info and to register visit <https://talktothecamera.com/bradley-international-school.html>.

**Registration Process—Bradley's "In-House" After School Enrichment Programs: Bradley is excited to offer a wide variety of enrichment programs taught by our very own teachers and para-professionals! Payments (cash/check) are made directly to the instructor.**

**Disney Club:** Mrs. Draper and Mr. Qualy are looking forward to seeing you as we start a new Disney adventure! Join us as we explore all things Disney with videos, stories, music, games and art. Snack is provided. Limit of 30 spaces. \$40/session. **Famous Architecture Out of Food:** This club will teach engineering skills while pushing the edges of creative thinking AND teaching about famous world architecture! Does your Bradley Eagle arrange their mashed potatoes and peas artistically? This club might be just the club to do those messy projects you would rather not attempt at home! Picture a broccoli tree with a tiny Popsicle stick tree house. Or a mini-rice cake Leaning Tower of Pisa with carrot arches. Or, as it's been suggested...A leaning Tower of Pisa made of pizza :) Each week we will learn about a different architect and discover their style and inspiration. Or we might choose an historic site and learn its mythology, significance and building technique. Then we will attempt a little food engineering. We will meet on Wednesday for 7 weeks with October 31 being a craft day and optional if you choose to attend due to the Halloween events. Limit of 25 spaces per class. \$40/session. Wednesdays: Grades K-4. Register at <https://www.signupgenius.com/go/20f0b4eaba92fa0fd0-build> or email Ms. Kenney at [Karen\\_Kenney@dpsk12.org](mailto:Karen_Kenney@dpsk12.org) (always ok to come see her at school!)

**After School Drama Class:** Calling all actors in 3rd through 5th grades! I have too many ideas and need your input! Come join us and decide what our first drama performance of the year will be... will we chose a musical? A mystery? Dinner theater? Write our own play? The group will decide and off we go! This class runs for two sessions, September 12th- December 5th. Please try to have your child present for all rehearsals. Students may bring a snack and water bottle to enjoy before class. The performance will be December 5th at 6:00 in the Bradley auditorium. **(No new registration)**

**Lego Club:** Join Mrs. Cypress and Ms. English for Lego Club! Join us as we use tens of thousands of LEGOS to build around exciting themes like boats, bridges, cars, and so much more! The students will enjoy using Legos to show off their creativity! \$35/session. Thursdays: Grades K-5 Register at <https://www.signupgenius.com/go/5080e4daeac2bab9-lego3> email Mrs. Cypress at [Megan\\_Cypress@dpsk12.org](mailto:Megan_Cypress@dpsk12.org)
