We are excited to offer a variety of after-school enrichment programs! All enrichment programs run from 3:45pm-5:00pm. Please send a snack for your child and be prompt for pick up at 5:00pm – students are released to parent/guardian

****TO REGISTER FOR THE OUTSIDE ENRICHMENT PROGRAMS:** [SiliconStem Academy](#), [Sound Formation](#), [Sticky Fingers Cooking](#), [Young Rembrandts Art](#), and [Talk to the Camera](#) please visit their website for information on the class and to pay directly on the website. All Grades K-5. These classes meet in Room 122 (Spanish Room). Please register and pay for camps through their websites**

TO REGISTER FOR “IN HOUSE” ENRICHMENT PROGRAMS: Bradley is excited to offer a wide variety of enrichment programs taught by our very own teachers and para-professionals! Payments (cash/check) are made directly to the teacher. Use the SignUpGenius to save your spot – then pay teacher directly for the camp.

Lego Robotics: Beginning robotics engineering whiz kids will familiarize themselves with the engineering design process and basic programming that goes into building a fully functioning robot with LEGO Mindstorms. They'll learn to program a robot and its five interactive sensors controlled by the new EV3 Brick. This class will unlock the door to a vast knowledge base in one of the hottest career pathways on the planet: Robotics and Software Engineering. \$96/session. Mondays: Grades K-5. Register at [SiliconStem Academy](#).

Rhythm & Drums with Sound Math: Elite music training for your child. Experience the unique method pioneered by music education visionary, Curtis Madigan. Hand-percussion is the perfect foundation and starting place for learning music. Fusing rhythm with mathematics, music is clarified and simplified. There will be a performance the final day. Our teachers have degrees, Masters degrees, and even Ph.Ds in music. \$91/session. Tuesdays: Grades K-5. Register at [Rhythm & Percussion](#)

Sticky Fingers Cooking: Your kids can have a blast every week discovering how easy and fun it is to cook (and gobble-up!) tasty, healthy, American classics and globally-inspired Sticky Fingers Cooking recipes! Sticky Fingers Cooking offers young chefs the chance to explore exciting tastes (all seasonal and as local as possible!), master culinary skills (that they can put to use in family kitchens!) and nourish their bodies and minds. \$112/session. Wednesdays: Grades K-5. Register at [Sticky Fingers](#)

Young Rembrandts Art: Young Rembrandts artists will draw ALL NEW lessons this winter. Colorful pop art dog, incredible relevant art history and a powerful unicorn are just a few of the drawing's they'll learn and LOVE. Good color selection, proper technique will be emphasized in all of our lessons. They'll build on their skills but also have a ton of fun while drawing and personalizing cool things like a soccer player, pineapple, and a robot lesson. Don't waste any more time... enroll your child today \$88/session. Thursdays: Grades K-5. Register at [Young Rembrandts](#)

Talk to the Camera: Co-founders, **Jenny Gilbert** and **Audrey Walters** met when their children were in preschool. They soon discovered a shared passion for helping kids and young adults develop lifelong social communication skills in a world filled with cell phones, apps, video games and laptops. Together, Jenny and Audrey empower youth in a variety of dynamic ways using camera work as a powerful communication tool. Annette Schowers will be teaching **Video Buzz**. Does your kid watch videos on **YouTube**? Kids learn how to speak with presence **ON CAMERA** and create their own videos! Students collaborate with the group, imagine, film & have **FUN!** \$160/Session. Fridays: Grades K-5. Register at [Talk to the Camera](#)
