

# 2019-2020 After School Enrichment Programs at Bradley International School

Mad Science enrichment programs transform laboratory science and STEM into fun, interactive learning experiences for children grades K-5! Our spectacular demonstrations, hands-on activities, and engaging discussions make learning about science fun for kids! Our programs are taught by friendly, engaging and highly-trained staff members who are passionate about sharing their love of science, and every class includes a fun take-home project for students to continue their scientific explorations at home! Spark Imaginative Learning This School Year!

## Program Information

Class Day: Tuesdays  
Class Time: 3:45-5:00PM  
Program Duration: 7 Weeks  
Program Dates: 3/17-5/5/2020  
Price: \$99  
Grade: K-5  
Skip Dates: 3/31

Please Register Online at  
[Colorado.MadScience.Org](http://Colorado.MadScience.Org)

1. Visit "After School Enrichment" on our home page
2. Select "The Schedule" and search for the name of your child's school
3. Click "Select" next to the program you would like to register for
4. Create a parent account and register online! It's easy and takes about 5 minutes!

## Coming Spring 2020: NASA: Academy of Future Space Explorers

Developed in partnership with NASA, this engaging enrichment program is truly out of this world! Investigate asteroids, comets, meteors and other forms of space phenomena! Learn to spot the difference between the lights of airplanes and the lights of satellites. Discover how stars and planets are formed -- and explore how galaxies come together within our universe! Build your own model rocket to take home, and watch in awe as we send a rocket soaring through the sky! Try your hand at some of the technologies astronauts use while living in space, and learn about innovations in space exploration! Students will explore these concepts and more in this exciting program that will take us to infinity and beyond ... without even leaving the classroom!
