Our meeting format will be 45 minutes of sharing information followed by 45 minutes of Q and A. Below are some of the topics we plan on addressing:

- 1) What information is the district using with regards to COVID in making decisions about returning to school?
- 2) What can we expect in the first quarter of remote learning?
- 3) When students return to in person schooling what are the health guardrails? How will this look in my child's school?

We plan on having central office from Special Ed, Operations, Nursing, Early Childhood, Schools Division, along with all 17 principals in the region to answer questions you have.

We look forward to seeing you on Aug 5/6!
