

**Due to COVID-19 – students will not be able to share supplies. We will address this as we get more information from DPS.**

Parents can purchase school supplies from this list at any store of their choice. We understand that sometimes it is not possible to purchase all the school supplies listed. Please make sure your student has a pair of non-skid, non-marking tennis shoes for PE and the playground – sandals and flip flops are discouraged. **Make sure that you label your child's coat, water bottle, lunchbox, pencil box, mask with first and last name.** Headphones can be reused each year – make sure your student brings them home at the end of the year. **Please buy Scotch BOOK TAPE/not packing tape – it does not stick to the walls.**
