Registration Process—Partner Vendor Programs: Bradley International partners with four outside enrichment programs: [Silicon Stem Academy](#), [Sound Formation](#), [Sticky Fingers Cooking](#), and [Dance Exploration](#). Partner programs meet in Room 122 (Spanish Room). Online Registration Required. Please visit their websites for more information.

Silicon Stem Academy: Junior Bots Engineering: If your student is the next Einstein and loves to tinker, build, and invent, Junior Bots Engineering is the best place to get started! This course uses award-winning LittleBits to unleash the creativity of students, empowering them to create inventions of every shape and size with these dynamic modular components. Learn the basics of electronics, explore STEM principles, and just have fun creating cool inventions. Bits snap together magnetically, so it's impossible to make a mistake and easy to create something unique. \$84/session (6-week session). Mondays: Grade 1-5. Register at <https://siliconstemacademy.com/>

Rhythm & Percussion with Sound Math: Each Session is different. This program offers music training for your child. Experience the unique method pioneered by music education visionary, Curtis Madigan. Hand-percussion is the perfect foundation and starting place for learning music. Fusing rhythm with mathematics, music is clarified and simplified. Mr. Madigan's curriculum develops the whole child, emphasizing character values and strengthening learning capacity with strategic and fun games. Unleash your creativity for all subjects. \$84/session (7-week session). Tuesdays: Grades K-5. Register at <https://soundformationmusic.com/rhythm-drums-at-bradley-international-school/>

Sticky Fingers Cooking: Menus change each session! Students have a blast every week discovering how easy and fun ways to cook (and gobble-up!) tasty, healthy, American classics and globally-inspired Sticky Fingers Cooking recipes! Sticky Fingers Cooking offers the chance to explore exciting tastes (all seasonal and as local as possible!), master culinary skills (that they can put to use in family kitchens!) and nourish their bodies and minds. \$140/session (7-week session). Wednesdays: Grades K-5. Register at <https://stickyfingerscooking.com/school-programs/colorado/bradley-international-school-spring-2019-mar-k-5th>

Dance Exploration: Viral Dance class explores the popular dance videos as found on YouTube! Designed around the 'Dance to Learn!'® Curriculum and the 6 Methods of Dance™, our Viral Dance Party class is designed with the whole child in mind. Each week we learn two to three new viral video dances and we will put our own class flare to each dance. The videos kids love the most are: Harlem Shake, Gagnam Style, What Does the Fox Say, Macarena and more! By exploring a new video each week, we follow the guidelines of the 'Dance to Discover!'™ Method, to keep class interesting and exciting and ensure children are learning as much as possible. Viral Dancers learn age appropriate movements and skills that will test their motor development as well as their spatial awareness as it pertains to the 'Dance to Move!'™ Method. \$105/session (7-week session). Thursdays: **Grades 1-5**. Register at <https://dancexploration.co/classes/viral-dance-at-bradley-elementary/>
