Dear Parents,

Attached are worksheet activities of some skills we have worked on this year. Please work **with** your child over the holiday break, on reinforcement of these skills. Talk with your child about the instructions and allow them to **DO THEIR OWN WORK!!** (I know YOU have been to preschool! 😊) Please have your child return their **completed** packet in their Friday Folder on Tuesday, January 7th when we return after break, for a surprise!

These activities are a great way to bring what they are doing in the classroom home and for you to help support your child's learning!

Remember, as parents you are your child's first teacher! We have them only a few hours a day. You MUST take an active role in your child's learning and education!

Have a great holiday break and enjoy this time with your family and friends. Children need consistency and routines, so please, keep that in mind over the break. I hope you all have a happy and relaxing holiday. It is especially important in these uncertain times to reflect on what we have to be thankful for, and the blessings in our lives!! Especially our little ones!

We return on Tuesday, January 7th, 2020!
